We want to know your thoughts about future mental health strategy for Devon, Plymouth and Torbay

We are holding a series of events with a focus on finding out the views of people on the future mental health strategy in Devon, Plymouth and Torbay.

There will be an opportunity to meet and talk to representatives from local commissioners and providers of mental health services.

People will also be able to comment on our draft strategy for mental health for 2014-17.

To book a place at one of the events, contact **Kathy Mitchell** on kathymitchell@nhs.net or **01392 267 864**.
